Revivalist Lifestyle Guidelines

"A revivalist is a believer who is focused and passionate, willing to pay any price to live in community, purity and power."

We are asking you to "pay the price" of transparency and trust as you answer the following very personal questions. We don't mean to highlight sin, as we know believers are forgiven and are new creations in Christ, but it is helpful for you to seriously consider our expectations in order to know if you will thrive at SSMA.

The freedom of the SSMA environment demands a high level of self-control and it works best when this sort of self-management is already being demonstrated before you come as we are not a recovery or a discipleship school. If you are still trying to figure out your commitment to Christ or to personal holiness and wholeness, we are not the school for you. If this is the case, God has a different assignment for you at this stage of your life. However, having had setbacks or struggles in these areas does not automatically disqualify you from being accepted as a student.

If you are in agreement with these guidelines, then continue to fill out the application below. After reviewing your application, we may request a personal interview. Your honest answers to these questions are mutually helpful in deciding if SSMA is a fit for you at this time.

I have read and agree to follow the Revivalist Lifestyle Guidelines during my time at SSMA.
